ORDER

THIS MATTER comes before the Court on Defendant's Letter Motion, in which he seeks an Order from the Court relieving him of the requirement to wear an ankle monitor while incarcerated at a Residential Reentry Management facility in Butner, North Carolina, and when he begins his supervised release period in September 2020. (Doc. No. 54). The Court denies Defendant's Letter Motion and, thus, declines his request to be relieved of wearing his ankle monitor.
